Guppies Camp Program

[Back to HCA Summer Camp Home](#)

Our youngest campers begin at age three with a multitude of fun and exciting activities. This program is designed specifically for our three to five year old friends. The day may begin as early as 6:30AM and ends with a parent pick up at camp as late as 6:30PM. Their exciting day at Hillcrest includes swimming, arts, music, nature and sports along with other age appropriate activities daily in our new HCA Activity center scheduled for opening Summer 2014. Activities include running in our jungle gym, playing parachute on our over sized playgrounds and participating in our "In house" field trips. We have such an exciting summer planned for our friends who remain on campus for the majority of camp. There are many special campsite visitors like "The Lizard Guys", "Bounce Around Houses", "Petting Zoos" and much more! For our Guppies you may choose our optional Day Trip Programs, to exiting Farms, Aquariums, Museums, Movies or Theatre and many more fun, exciting and educational trips. Busses arrive at camp by 9:00 AM on trip days, so pack a lunch or grab one of our Box Lunches for your Guppie and off on an adventure. When you arrive for pick-up you'll be able to see their progress on a daily basis.
