

[Hillcrest Summer Camp 2014](#)

**Starfish**

Ages 6-8 level of our camp program are offered increased opportunities for growth and development as they more fully explore our program and facilities. Each energetic group of campers is provided with an opportunity to go on more trips than offered in the past. In the area of sports, games and other athletic activities, the campers are taught to work together as a team while building an ever increasing bank of skills in basketball, kickball and so much more. Under the guidance of counselors, our creative arts, drama, cooking and computer programs offer age-appropriate activities to interest all campers.
